

January 20, 2021

Dear Class of 2021 High School Graduate,

The First Hernando Republican Club is very pleased to invite you to apply for one of our Conservative Voices Scholarships ranging from \$500 to \$1500 being offered this Spring.

The scholarships are available to all 2021 high school graduates who have a 3.0 or higher GPA, reside in Hernando County and either attend high school or are home schooled in Hernando County and plan to continue their education.

The application packet must include all of the following:

_____ A completed Official Scholarship Application

_____ Proof of current 3.0 GPA or higher

_____ Three letters of recommendation- one from each category listed on official application form

_____ Your submission of either written essay or mp4 video must include name of applicant and title of submission. Your topic must discuss how the Constitution was created to put limits on the federal government and give more power to the people. Whenever a politician campaigns for free college, free health care, and other government handouts to be paid for by the Federal Government, they are pushing to expand government power and control. Discuss the limits that our founding fathers incorporated into the Constitution and why they felt it was important for our new Republic and why it is still important today. Also discuss the real cost of “free stuff” and how this would affect your freedom and future.

. 1) a written essay, typed, double spaced, 12pt. font, not to exceed 1000 words

OR 2) an mp4 video of 2-3 minutes duration emailed to firsthrclub@gmail.com

Be creative while focusing on the importance of conservative values. Conservative Voices Scholarship Committee will make final selections and direct award to winner’s institution of higher learning. Any video and essay will become the property of First Hernando Republican Club and may be made available on social media.

Packets must be received by April 30, 2021.

Please either email application packet to firsthrclub@gmail.com or mail to:

Susan Doucet, Director
First Hernando Republican Club Scholarship Committee
1415 Maximilian Ave.
Spring Hill, FL 34609

We thank you for the time and effort you will spend applying for this scholarship and in promoting conservative values throughout our community.

Sincerely,

The First Hernando Republican Club Scholarship Committee
