A. Briefly explain how your involvement in agriculture youth groups has benefited you:

Do not add any pages. Do not alter application. You may handwrite or type.

Section A – Essay: Rubric 10 points

B. Identify an agricultural youth organization(s) you belong to, and up to 10 activities in which you participated.

For each activity list the year and each level of your participation at Local, District, State, or National.

List one activity per line. Do not duplicate any activities for an organization within the same year, if so they will not be counted for points. If you identify more than one agricultural youth organization then you may use a similar activity used in the other group. **Your activities used in B may not then be reused in Section C or D.**
